USIB-D-51.3/41  
18 March 1975

MEMORANDUM FOR: Executive Secretary, USIB

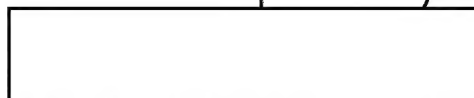

SUBJECT : USIB-D-51.3/32 (Procedures for Dissemination  
of the National Intelligence Survey to Foreign  
Governments), Dated 5 April 1971

1. In the absence of a formal request from the NIS Committee, which was dissolved in June 1974, I as former Chairman of the Committee recommend that action be taken to rescind the subject document for the following reasons:

a. The provisions of the document apply solely to the National Intelligence Survey Program, which was terminated 1 July 1974.

c. Rescission of the document would in some measure reduce the effort required by former NIS-producing agencies in responding to FOIA requests involving NIS units controlled solely because of the provisions of the document.
